The Assistant Director-General for Priority Africa and External Relations

To Non-Governmental Organizations
holding an official partnership with
UNESCO

14 March 2019

Ref.: SC/PCB/SPP/19/2208

Sir/Madam

On behalf of the Director-General, It is my honour to invite your organisation to submit a nomination for the UNESCO Kalinga Prize for the Popularization of Science 2019. The General Rules for the Prize are attached herewith for your kind information.

Jointly funded by the Kalinga Foundation Trust, the Orissa Government of India, and the Indian Government, the Prize is an international distinction to reward the efforts of a person who has had a distinguished career as a writer, editor, lecturer, radio/television/web programme director or film producer, which has enabled him/her to help interpret science, research and technology for the public. He/she is expected to have knowledge of the role of science, technology and general research for the improvement of public welfare, the enrichment of the cultural heritage of nations, and the solutions to the problems of humanity.

Candidates may be nominated by any Non-Governmental Organization holding an official partnership with UNESCO and dealing with sciences. Only one candidate may be appointed per organization. Nominations or applications from self-appointed individuals will not be accepted.

Each application should include a cover letter, and the following documents, in English or French:

- a. Description of the candidate's background;
- b. Completed submission form;

- c. Summary of the work, or the results of the work, on the popularization of science, including publications and other supporting materials, to be submitted for consideration; and
- d. Description of how the candidate's submitted work has contributed to the popularization of science.

The application dossier should preferably be sent by e-mail. If, however, it must be sent by postal services, it should include five hard copies or five digital supports (USB, CD or DVD) of the complete dossier.

Applications should be addressed to the Kalinga Prize Secretariat at UNESCO:

Mr Yoslan Nur
Programme Specialist
Division for Science Policy and Capacity Building
Natural Sciences Sector
UNESCO
7 Place Fontenoy
75732 Paris Cedex 07 SP
France
E-mail: y.nur@unesco.org

The deadline for reception of applications and materials is 31 May 2019.

Please accept Sir/Madam, the assurance of my highest consideration.

Firmin Edouard Matoko
